Information & Application for 2009 Exhibitors

Are you interested in becoming an exhibitor at the New York Renaissance Faire?

The New York Renaissance Faire is a well-established Elizabethan-era Faire. Exhibitors with handmade crafts or period games, rides and activities that compliment our 16th century theme are welcome to apply. Please note that at this time the categories of Food, Clothing & Costumes, and Games are filled for the 2009 season. Applications will still be accepted for these categories for the future needs of the Marketplace.

If you are interested in participating in the 32nd Annual New York Renaissance Faire, please download and complete the 2009 Exhibitor Application. Please mail your application via USPS with the required documentation and fees. All directions are included in the application file.

Contact Dayle Rowland, Marketplace Director, at NYRFcrafts@aol.com to discuss presenting your product line at the 32nd Annual New York Renaissance Faire.

The New York Renaissance Faire Marketplace Office juries year round on an "until filled" basis. Approved applications received after the Marketplace has been filled will be placed on a waiting list if so requested by the exhibitor.
