

Craft Brew Celebration

Closing Weekend!

SATURDAY, MAY 19TH & SUNDAY, MAY 20TH, 2018

MERRY MEET, MERRY PART, AND MERRY MEET AGAIN!

On our final weekend, let your taste buds experience a variety of craft brews while enjoying all that the Faire has to offer. This weekend will feature dozens of local and international craft brews throughout the shire. Come join us for a tour!

CLOSING DAY PARADE! Join us as we celebrate the final day of our 56th season. Don't miss the fun on Sunday, as we carry on the tradition of our spectacular Closing Day Parade!

QUEEN'S COLLEGE invites Faire visitors to learn historic art and craft found in our Port village. Master artists, artisans, and traders teach their craft in workshops to adults, teens, family groups, and children. Workshop students receive supplies and tools needed to make their own keepsakes, and some will have kits to continue working at home. Fees are low (\$3 to \$25) with the average \$10.

Look for our schedule sign and display of workshop samples; we are on your right in the picnic pavilion with the red and yellow pennants. Visitors are welcome to observe workshops. Note the Painting Garden area out in front—drop-in to paint a clay ornament any time from 10:00 to 5:00.
