New York Renaissance Faire Announces 2021 Season!

The Top Renaissance Faire in the Region Set to Open August 21

TUXEDO, NY– The iconic, summer-long New York Renaissance Faire will open the gates for the 2021 season after its voluntary shuttering last year due to the pandemic. ‘Our team is working hard to literally set the stages for world-class, immersive entertainment that will put a smile on your face as we recognize that what we do best is needed now more than ever. We are working closely with the local health department and the most current CDC recommendations to ensure the safety of our guests, vendors, volunteers and staff,’ stated Linda McFeters, Owner and Producer.

Voted “Best Renaissance Faire in the Region” for the third consecutive year in 2018, the New York Renaissance Faire will open Saturday, August 21, for seven weekends closing on Sunday, October 3. The Faire offers an exciting, eclectic mix of fun and frivolity located on thirty-plus acres and just a short drive from New York City.

Leave your burdens in the 21st century. Show up as a King, Queen, pirate, sorcerer or anything you want to be for the day and you will find many who will play along! Or don’t come in costume at all. It’s your day. Enjoy it your way. Go on a stroll through the village with a gigantic turkey leg or steak-on-a-stake or one of the many scrumptious vegetarian delights like the perennially popular Portobello Mushroom Sandwich, the NEW Impossible Burger™ and delightful vegan or gluten-free treats from the Village Bakery. For the thirsty, craft brews, ciders, cocktails, teas, sodas and other refreshing beverages are readily available.

Take home a memory from one of the nearly 200 artisan shops where you can find everything from handmade chain maille, Scottish kilts and handcrafted leather masks to Steampunk adornments, soaps, jewelry and beautiful floral wreaths for the hair. Interesting, educational demonstrations by potters, blacksmiths and other working artisans offered many times throughout the day. Mark Haller, a celebrated artist who has been working in the medium for over twenty-five years will be demonstrating and displaying the art of glassblowing. Learn about glass-blowing from one of the world’s master craftsmen!
