**THE ORIGINAL RENAISSANCE PLEASURE FAIRE
OPENS SEVEN-WEEK RUN BEGINNING SATURDAY, APRIL 9**

LOS ANGELES (MARCH 2022) – The world’s oldest Renaissance Faire, located just ten minutes east of Pasadena, is also one of the most inclusive places on Earth. Modern-day cosplayers, hipsters, families and singles all have one thing in common: they have come to escape their 21st Century reality in favor of a carefree, joyful day mixing with jousting knights, saucy wenches, regal ladies, and the court of a beautiful and gracious queen. The Original Renaissance Pleasure Faire is open Saturdays and Sundays from April 9 through May 22 at the Santa Fe Dam Recreation Area in Irwindale, CA.

Revelry reigns at this recreation of a bustling sixteenth-century seaside town where thousands of costumed performers interact with and entertain guests throughout the twenty-three acre lake-side village. Guests are immersed in the music, language, merchant scene, and entertainment of the era. More than forty performance groups including magicians, dancers, jousters, comedians, musicians, storytellers, jugglers and improvisation troupes grace the sixteen stages throughout the village.
